

ELEMENT 7

FROM CHAOS TO CONTROL

THEN

Complex registrations

Participant registrations and payments were handled across multiple systems.

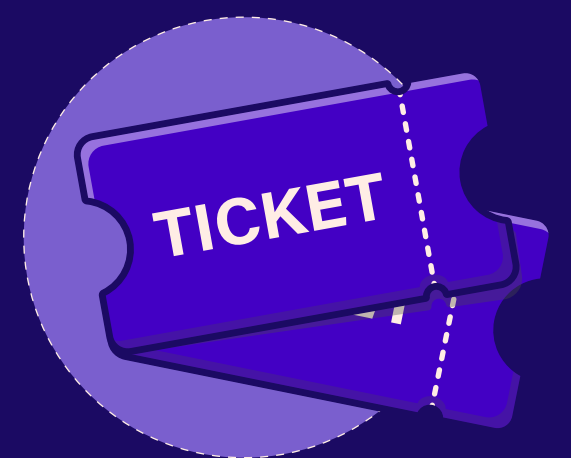

Scattered finances

Tracking revenue, expenses, and sponsorships lacked visibility.

Limited event visibility

No centralized way to track attendance or performance in real time.

Paper tickets

Printed tickets often got misplaced or duplicated.

NOW

Faster setup

Build event pages, forms, and ticketing without technical help.

Real-time control

Manage pricing, registrations, and check-ins from one dashboard.

Better visibility

Track attendance, revenue, and sponsorships in real time.

100% Paperless

One digital ticket for multiple events and entries.

10,000+ attendees. Multiple events. *One seamless platform.*
